WORKSHEET

LESSON 2: ACTIVITY 1

How Ryan 'Spent' his Week

Think about everything that Ryan did this week. Where did he go? What did he do? How did he spend his money?
Complete the table below describing what Ryan spent his money on and how much you think each item cost.
Finish by calculating the total amount Ryan spent this week by adding up the item costs.

WEEKLY:	
ITEM DESCRIPTION	**AMOUNT €**
TOTAL:
