

LESSON 12: HOMEWORK TASK

Budget Template

Choose either Sarah's story or John's story.

Use the detail in your chosen story to fill in the relevant amounts in columns A (Income) or B (Expenditure) in the Budget Table below.

At the end calculate whether or not there is money left over by subtracting B from A.

	(A) Income €	(B) Expenditure €
Unemployment Benefits		
Wages		
Student Grants		
Loans		
Car costs		
Car Insurance		
Motor Tax		
Petrol		
Home costs		
Rent		
Food/Utilities		
Hobbies		
Going Out/Clothes		
Future Plans		
College Expenses		
Travel/Set up Costs		
	Total A =	Total B =
Plus/(minus) (A-B =):
