

LESSON 3: Homework Task

Shop around

Choose 1 good and 1 service from the following list:

- 1 litre bottle of water
- Family-sized chocolate bar
- USB key
- 1 car wash
- A beginners language course (e.g. French, Italian, German etc)
- 1-hour maths grind
- Internet, TV and phone provider bundle

Write your chosen good and service into Column 1 of the table below.

In Column 2 write down how much you think the good/service will cost.

'Shop around' or carry out some research (e.g. internet research or visiting shops which supply these goods and services) and get two different quotes for your 2 items. List your two cost comparisons in Column 3 and Column 4 of the table.
