

# MERGER ANNOUNCEMENT M/26/031 – COGNIZANT TECHNOLOGY SOLUTIONS/ASTREYA

## Section 21 of the Competition Act 2002

**Competition and Consumer Protection Commission clears proposed acquisition whereby Cognizant Technology Solutions Corporation would acquire sole control of Astreya Partners, Inc.**

19 May 2026

---

The Competition and Consumer Protection Commission has today cleared the proposed transaction whereby Cognizant Technology Solutions Corporation, through Cognizant Domestic Holdings Corporation, would acquire sole control of Astreya Partners, Inc. The proposed transaction was notified under the Competition Act 2002, as amended, on 5 May 2026.

The Commission has formed the view that the proposed transaction will not substantially lessen competition in any market for goods or services in the State. The Commission will publish the reasons for its determination on its website no later than 60 working days after the date of the determination and after allowing the parties the opportunity to request that confidential information be removed from the published version.

### **Additional Information**

Cognizant Technology Solutions Corporation is a global provider of information technology services and consulting, headquartered in the United States. Its activities include the provision of technology consulting, application development and maintenance, systems integration, cloud and infrastructure services, cybersecurity, and business process outsourcing services. In the State, Cognizant Technology Solutions Corporation operates through a number of subsidiaries and is active in the provision of IT services, including IT consulting and IT outsourcing.

Astreya Partners, Inc. is a provider of digital and information technology infrastructure managed services, headquartered in the United States. Its activities include the provision of IT outsourcing services such as cloud, network and data centre management, digital workplace services, IT operations automation, and data engineering services. In the State, Astreya Partners, Inc. operates through group entities and is primarily active in the provision of IT outsourcing services, with a limited presence in the supply of IT hardware products.
