

PRODUCT RECALLS

ABC Abrasives recalls Safeline CR115 Cable Reel

📅 SEPTEMBER 23, 2025

ABC Abrasives is carrying out a recall of Safeline CR115 Cable Reel.

The risk associated with the product is electric shock. The product is incorrectly marked with an Ingress Protection (IP) rating of IP44, when its actual rating is IP20. This mislabeling appears on both the product and its packaging, potentially leading users to use it in unsuitable environments, increasing the risk of electric shock or electrocution due to a false sense of protection.

The brand is Safeline. The bar code is 5391361232106. The model number is CR115.

There are approximately 329 affected products in the Republic of Ireland. The product was sold between 2024 to 2025.

What to do:

If you believe that you may have purchased an affected product, discontinue use immediately and return it to your place of purchase where you will be offered a replacement or refund.
