Aldi recalls Delta Essentials steam cleaner

📅 SEPTEMBER 8, 2011

Aldi is recalling the Delta Essentials Hand Held Steam Cleaner.

Product Code: 46431

Barcode: 25231052

Model: GT-DR-01

Date code: 08/11

A fault has been found in the extension hose component of the product, allowing steam to escape, which may result in burning or scalding.

Approximately 3,110 have been sold in Ireland. Only products with the date code 08/2011 are affected.

What to do:

Stop using the steam cleaner immediately and return the product to your nearest Aldi store for a full refund. No other Delta branded products are affected.
