

PRODUCT RECALLS

Argos recall the 2 in 1 'Sit n Scoot' scooter

📅 JULY 26, 2016

Due to a potential mechanical fault Argos have initiated a product recall for the 2 in 1 'Sit n Scoot' scooter. In certain unusual circumstances the push button mechanism which converts the Grow 'n' Go 2 in 1 Sit & Scoot from a ride on to a scooter (and vice versa) could pose a potential finger entrapment hazard for small children.

What to do:

Customers should return this scooter immediately to Argos for a full refund.

The product can also be identified by a batch code which is printed on a sticker affixed to the underside of the frame next to MV Sports & Leisure Limited address details. The batch codes are: 6587/1.

If you would like further information, please contact Argos Customer Services by telephone on: 1800 535091.
