Argos recalls bamboo roll-up blind

📅 FEBRUARY 18, 2016

Argos has become aware of a safety issue relating to their **bamboo roll-up blinds**. The pull cord breakaways are too strongly locked and this could pose a risk of strangulation to young children. This is due to the force required to separate or break the cord's safety device.

ARGOS CATALOGUE NUMBER	DESCRIPTION
1912252	SV 2FT bamboo roll-up blind
1904071	SV 4FT bamboo roll-up blind
1918342	4FT bamboo roll-up blind

What to do:

This is a precautionary measure as there have been no reported incidents. If you have purchased one of these items after **1st June 2014**, Argos advise you to **stop using it immediately**. Please contact Argos for a free replacement breakaway device and instructions. Alternatively, please return it to your nearest Argos store for a full refund. No proof of purchase is necessary.
