

PRODUCT RECALLS

Argos recalls LED Light Strip

📅 JANUARY 28, 2022

Argos Distributors (Ireland) Limited is carrying out a recall of the RED5 2M LED Light Strips.

The affected products were manufactured between June-August 2021.

A safety issue has been identified with the affected products, where in some cases the battery compartment of the remote does not lock, allowing easy access to the battery compartment. If ingested, the battery can cause burns to the internal organs.

There are approximately 3428 affected products in the Republic of Ireland.

The affected products were available from Argos, and from other distributors.

What to do:

If you purchased one of these products, please discontinue use immediately, and return it to your local Argos store for a full refund. You will not need a receipt.

Customers can also contact the supplier (The Source Wholesale) on their freephone number 1800856093 from Monday 31 January 2022.
