

PRODUCT RECALLS

Argos recalls Little Tikes Activity Garden Play Centre

📅 FEBRUARY 4, 2019

Argos is carrying out a voluntary recall of Little Tikes Activity Garden Play Centre, catalogue number 908/7550.

The safety concern is that when the telephone is attached to the green stand, there is a potential for a child's finger to become trapped between the telephone and the stand.

Play Centre – Green Stand

What to do:

Please remove the stand out of the reach of children and dispose of it immediately. With the green stand removed, the remaining components of the play centre are safe to be played with.

Argos will be working with their supplier on a redesigned replacement stand. Affected consumers will be contacted by 22nd February 2019 with further information on how to obtain a replacement stand free of charge.

Consumers may contact Argos with any questions or concerns using the below helpline number. The helpline is open between 8am -8pm Monday to Sunday.
