Argos recalls Mamas and Papas Infant Carriers

📅 JULY 25, 2017

Argos is carrying out a voluntary recall of Mamas and Papas Infant Carriers. The recall is for The Mercury Group 0+ (0-313kg/newborn-approx 12 months), catalogue numbers 316/9539 and 382/0971.

Issue:

A manufacturing defect has been identified with two particular models whereby the materials used fail to meet the Furniture & Furnishings (Fire)(Safety) Regulations 1988.

How do I find the product numbers:

Mamas & Papas Mercury Infant Carrier (Black)

Affected seats have black covers

Group 0+

Catalogue number 316/9539

Model number 4735N60D1

ECE R44.04 approval number 045036

Mamas & Papas Mercury Infant Carrier (Grey)

Affected seats have grey covers

Group 0+

Catalogue number 382/0971

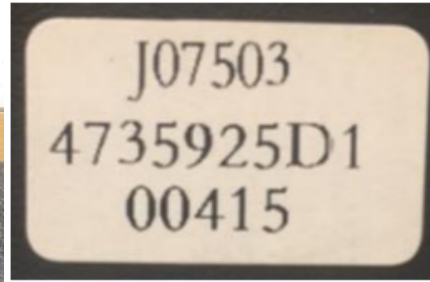

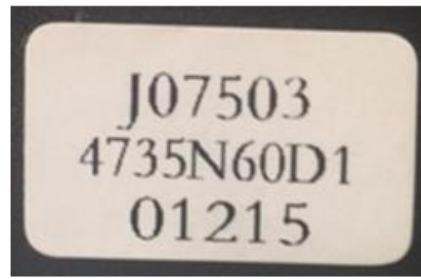

Model number 4735925D1

ECE R44.04 approval number 045036

The ECE approval number can be found on an orange sticker located on the side of the carrier:

The model number can be found on a small white sticker on the side of the infant carrier. There are 3 sets of numbers on this sticker, the model is the middle one beginning in 473... and ending in ...D1

What to do:

If you have purchased one of these carriers please stop using it and return to your nearest Argos store for a full refund. You do not need proof of purchase.

Further information on this recall is available through the Argos customer services helpline: Tel. No. 1800535091.
