

PRODUCT RECALLS

Argos recalls Water Bottle supplied with Spike Children's Bike

 NOVEMBER 23, 2016

Argos is carrying out a voluntary recall of the water bottle which was supplied with certain models of the Spike Children's Bike.

 Shopsmart launch

12" Catalogue number 304/3686

14" Catalogue number 292/7246

16" Catalogue number 297/7636

In a small number of reported instances the white nozzle of the drinking bottle lid has detached from the main lid which is a potential choking hazard.

Please note that there is no issue with the bike itself.

What to do:

If you have purchased one of the affected bikes please **immediately remove the lid from the bottle** and dispose of the lid with normal household waste.

Argos are offering a replacement lid which will fit the bottle in the same way.

To register for your replacement please visit: www.clickspares.co.uk/spike

If you have any concerns or questions just call the Argos Customer Service team on 1800 535091.
