Argos safety notice for Bush tumble dryer various models

📅 JUNE 25, 2019

Argos have been working closely with UK Trading Standards to review the maintenance and safety information that is provided with some models of Bush tumble dryers (please read the [Table of affected products](#) for information). As a result, additional maintenance and safety information will be provided to all customers who bought one of these tumble dryers. This information is in addition to the instruction booklet that consumers received when they bought their tumble dryer.

1383 affected products have been sold in the Republic of Ireland.

What to do:

Argos are contacting affected consumers by letter and email.

If you bought one of these tumble dryers please ask an Argos representative in store, who can provide you with a copy of the 'Important Safety Information about your Bush vented tumble dryer' document. Please read it and follow the instructions outlined.

If you have any questions please contact Argos on ROI Freephone– **1800 946744**.
