B&Q extends the range of light fittings under their safety notification

📅 APRIL 19, 2017

B&Q have extended the range of [this safety notification](#) published on 17th February to include a further range of light fittings. They have identified a problem with the lamp shade rings which may fracture, permitting the shade to fall from the fitting and thus cause injury.

The products affected were offered for sale between February 2004 and March 2017.

The following is a full list of all affected products covered by the safety notification:

Full list of affected products

What to do

If your light fitting uses the shade ring pictured on the left below, please remove the shade and ring immediately, or, if you are unable to do so, avoid the potential fall zone until you can organise removal of the lampshades.

Shades with this ring must be removed:

Shades with this ring are safe to use:

Please contact B&Q's helpline on 1800 946327 to provide your details for a replacement ring-fitting kit
