B&Q recalls Blooma Moon Chair

📅 MAY 16, 2011

B&Q is carrying out a voluntary recall of its “Blooma Moon Chair” (barcode: 05292387) sold between March 2011 and May 2011.

In a small number of instances, the weld between the hinge and the seat frame has failed.

This may lead to the chair collapsing during use.

The product was sold in various colours, including green, red and polka dot.

If you have purchased one of these chairs please **stop using it immediately** and return it to your local B&Q store where a full refund will be provided.
