B&Q recalls Cooke & Lewis freestanding slimline dishwasher

 AUGUST 30, 2019

B&Q has identified a safety issue with the Cooke & Lewis CLDW451W-C / DI6014 Freestanding slimline dishwasher white, where components may overheat and this could result in a fire.

The affected products were manufactured between 2012 and 2014.

2144 units are affected.

What to do:

If you believe you have purchased this product then you are advised to **stop using it immediately**, unplug it from the power socket and contact the B&Q helpline on **1800 946 327** for further information and assistance.

The helpline is available from Monday to Friday (8.30am to 8.00pm), Saturday (9.00am to 5.00pm) and Sunday (10.00am to 4.00pm).
