B&Q recalls three Cooke & Lewis mirrors

 OCTOBER 12, 2018

B&Q Ireland Ltd. are carrying out a voluntary recall of three '**Cooke & Lewis**' branded mirrors. The safety concern identified is that *"...in some circumstances the safety backing may be ineffective or missing. This may result in the mirror detaching from the fixings and falling. Additionally the shelves supplied are not toughened glass. Both these concerns present a risk of cuts should the glass break. For products with lights this could result in live wires becoming exposed presenting a risk of electric shock."*

Approximately 322 affected units have been sold in the Republic of Ireland.
