B & Q Safety Notice for Weyburn external light range

📅 JANUARY 10, 2019

B & Q has identified a safety issue for the below listed Weyburn external light range. There may be a risk of water ingress in all below mentioned products.

It is possible to incorrectly install this product using the wrong type of cable (flat, twin and earth type cable). This may cause the product to be affected by water ingress, potentially causing a risk of electrocution.

B & Q would like to make customers aware that only round 3 core cable, with a minimum 6mm diameter should be used.

3,420 units have been sold in the Republic of Ireland stores.

What to do:

Please check with your installer that only the correct cable has been fitted. Prior to inspection or if water is present in the light, switch off power supply. If in doubt about your installation, please consult a qualified electrician.

For more information please call the helpline: UK: 0300 303 4482 / ROI: **1800 946 327***

*Monday to Friday 8.30am–8pm, Saturday 9am–5pm and Sunday 10am–4pm
