Benelli recalls certain motorcycles

 MARCH 10, 2022

Ross Motorcycles Limited is carrying out a voluntary recall of certain Benelli TRK 502X.

The affected products were produced between 1.9.2018 to 30.4.2019

A safety issue has been identified with the affected products where under certain loads, the rear suspension strut may break. To rectify this, there will be a replacement of the rear suspension strut.

There are approximately 6 affected motorcycles in the Republic of Ireland.

What to do:

Ross Motorcycles Limited will directly contact all affected customers advising them to make an appointment with their local Authorised Repairer were any necessary repairs/replacements of parts will be carried out.

If you believe that your vehicle may be impacted by this recall, then you can contact Ross Motorcycles Limited on (021) 4504800 or email joeblitz@gmail.com
