

PRODUCT RECALLS

Cascade Designs Inc. recalls MSR Select Cooking Pots

📅 MARCH 19, 2024

Cascade Designs Inc. is carrying out a recall of MSR Select Cooking Pots:

The product presents a burns or scald risk. The pot handle can detach or become loose posing a burn or scald risk to consumers from hot food and liquids spilling from the product.

The brand is MSR. Details in relation to the models and barcodes can be found in the table below:

BARCODE	MODEL
40818095676	Pocket Rocket Stove Kit
40818068984	Reactor 1.0L Stove System
40818112052	Reactor 1.7L Stove System
40818069004	Reactor 1.0L Pot
40818069011	Reactor 1.7L Pot
40818132340	Trail Lite 1.3L Pot

40818132357	Trail Lite 2L Pot
40818068977	Trail Lite Duo Cook Set
40818103739	Trail Lite Solo Cook Set

There are approximately 1255 affected products in the Republic of Ireland. The affected products were sold from 2008 through February 2024.

What to do:

Customers should stop using the product and contact Cascade Designs for a free replacement pot handle/lifter that is compatible with the affected pot. Cascade Designs will provide a refund if requested. To contact Cascade Designs customers can email customerservice@cascadedesigns.ie or visit the Cascade Designs [Recall Page](#) for further information in relation to the product.
