Citroën recalls certain Dispatch and Spacetourer model vehicles

 AUGUST 14, 2020

I.M. European Motors Limited is carrying out a voluntary recall of certain Dispatch and Spacetourer model vehicles. The affected vehicles were produced between 5 January 2016 and 5 June 2019. A safety issue has been identified in which the rear brake hoses have been incorrectly attached. This may result in the brake hoses becoming damaged, thereby impairing braking performance. The recall affects 580 vehicles in the Republic of Ireland.

What to do:

I.M. European Motors Limited will directly contact all affected consumers by post advising them to make an appointment with their local Authorised Repairer where any necessary repairs will be carried out.

If you believe your vehicle may be impacted by this recall, then you can contact I.M. European Motors Limited's (Citroën) Contact Centre on 01 8108800 or alternatively on the following [web form](#).
