Claire's Accessories recalls Slap Bracelet

📅 AUGUST 9, 2018

Claire's Accessories are carrying out a voluntary recall of their Slap Bracelet product which was on sale in stores from March 2018 to July 2018.

The safety concern is that there may be a risk of injury as some stock does not have a protective inner cover on the metal, which may cause the metal to be exposed and may lead to lacerations of the skin.

620 units of this product have been sold in the Republic of Ireland.
