Currys recalls iconBIT Mekotron 6 Hoverboard

📅 JULY 24, 2019

Currys is carrying out a voluntary recall of the iconBIT Mekotron 6 Hoverboard HB-0060. The safety concern identified is the risk that the use of the power supply unit can result in damage to the mains socket or to the power supply itself which in turn could cause a fire.

What to do

If you have purchased an iconBIT Mekotron 6 hoverboard with the above power supply unit then you should stop using the product immediately and return it to your local Currys store where a full refund of the purchase price will be given. Alternatively, please contact Curry's customers services team at:
