

# PRODUCT RECALLS

## Dealz Recalls Bella City Chic Doll

 MARCH 15, 2022

Dealz is carrying out a recall of Bella City Chic doll.

The risk associated with the product is a chemical risk. The product contains unacceptable levels of the chemical Di-2-ethylhexyl phthalate (DEHP) that are classified as unsafe for young children. This phthalate may harm the health of children, causing possible damage to the reproductive system.

The brand is unknown. The Dealz Product Code is 452987. The batch number is 2007. The bar code is 5054110024185. The batch number can be found on the reverse of the packaging.

There are approximately 1,520 affected products sold to consumers in the Republic of Ireland. A number of approx 19,250 affected products had previously been reported, this is the number of Europe wide affected products.

### What to do:

It is important that any consumers who have purchased this doll discontinue its use immediately.

Dealz are asking any consumers who purchased the dolls to return the product in store for a full refund.

For more information, consumers can contact Customer Services via telephone on 0818 930 843 or via email on [customer.relations.dealz@dealz.eu](mailto:customer.relations.dealz@dealz.eu)
