Dunnes Stores recall Ribbed Waist Jean

📅 JULY 20, 2015

Dunnes Stores are recalling their Ribbed Waist Jean, Style No. 6474124. There is a potential safety issue associated with this garment. A small number of ribbed Waist Jeans have been found to contain particles of pumice stone in the pockets. These may pose a safety risk.

What to do:

Dunnes Stores request customers to return this Ribbed Waist Jean to any Dunnes Stores outlet where a full refund will be given.
