## Dyson recalls Tower Heaters

📅 APRIL 14, 2014

Dyson is voluntarily recalling the Tower Heater/Fan due to a potential safety issue.

Dyson has identified a short circuit problem in a small number of heaters which may give rise to internal fires within the units.

The affected units/models are:

AM04 Dyson Hot Bladeless Tower Heater/Fan Combination

AM05 Dyson Hot + Cool Bladeless Tower Heater/Fan Combination.

3,870 units have been sold in Ireland since July 2011 (in the case of model AM04) and December 2012 (in the case of model AM05).

### **What to do:**

If you have one of these products, stop using it immediately. Visit [www.dysonrecall.com](http://www.dysonrecall.com) to register your details to arrange for an engineering fix. You can also contact the Dyson helpline on 1800 817 142
