## Ford Ireland recalls certain Passenger vehicles

 DECEMBER 20, 2019

Henry Ford & Son Limited is carrying out a voluntary recall of certain C-Max, Focus, Kuga, Mondeo, Galaxy, and Transit Connect passenger vehicle.

The vehicles in question were manufactured between 2009 and 2013. There are 278 vehicles effected on the Irish Market.

A safety issue has been identified whereby, it is possible that if the clutch pressure plate breaks while the vehicle is in motion, this may lead to a loss in power transmission and the engine may catch fire. In extreme cases the bonnet may also unlock.

### What to do:

Henry Ford & Son Limited will be writing to all affected vehicle owners directly advising them to make an appointment with their local Authorised Repairer where the clutch will be inspected and replaced.

If you believe that your vehicle may be impacted by this recall, then you can contact Henry Ford & Son Limited's Customer Service on [1800 771 199](tel:1800771199) (open 9 am – 5 pm Monday to Friday).
