## Gowan Distributors Ltd. Recalls Peugeot Rifter/Partner

 JUNE 19, 2019

Gowan Distributors Ltd is carrying out a voluntary recall of Peugeot Rifter/Partner models.

In affected vehicles a possible misalignment of the ratchet on the handbrake lever may result in the handbrake lever not engaging when operated and thus not remaining in position or only remaining in position briefly, and then disengaging by itself.

The vehicles in question were manufactured between 8 November 2017 and 20 December 2018.

This recall affects 77 vehicles in Ireland.

### What to do:

Gowan Distributors Ltd have written directly to those customers affected by this recall to advise them of what further steps they will need to take.
