## Gowen Distributors Limited recalls Peugeot passenger vehicle various models

 OCTOBER 22, 2019

Peugeot Ireland is carrying out a voluntary recall of certain **208, 2008, 3008, 5008, 308 II, 508** models of motor vehicles manufactured between October 2013 and May 2016.

Peugeot Ireland has established the issue as that the *“NOx emission could be out of regulatory limits due to wrong engine calibration tuning”*.

This recall is estimated to affect 138 passenger vehicles in the Republic of Ireland.

### **What to do:**

Peugeot Ireland has directly contacted owners of affected vehicles to arrange necessary repairs.

If you believe that your vehicle is affected by this recall, you can contact Peugeot customer care on **01 409 2400**.
