## Harris Group (Isuzu Ireland) recalls certain Isuzu D-Max vehicles

 NOVEMBER 19, 2020

Harris Group (Isuzu Ireland) is carrying out a voluntary recall on certain Isuzu D-Max passenger vehicles. The affected vehicles were manufactured between 18 September 2018 and 23 January 2019.

A safety issue has been identified, affecting certain Isuzu D-Max passenger vehicles, whereby a production fault may cause the rear-axle leaf spring to break. As a result, there is a risk of losing control of the vehicle. Parts may fall onto the road presenting a risk to other road users as well.

This recall affects 183 vehicles in the Republic of Ireland.

### What to do:

Harris Group will directly contact all affected consumers advising them to make an appointment with their Authorised Repairer where any necessary repairs/replacement of parts will be carried out.

If you believe that your vehicle may be impacted by this recall, then you should speak to Isuzu Ireland for further information. Contact information can be found by following this [link](#).
