Highlite International BV recalls Antari F-80Z Fog Machine

📅 DECEMBER 12, 2024

Highlite International BV is carrying out a recall of Antari F-80Z Fog Machine.

The risk reported to the CCPC is fire and electric shock as there is a risk of direct contact with live parts.

The brand is Antari. The type/number of model is F-80Z. The bar codes are 8717748105554 and 8717748127433. All batches from January 2007 to September 2024 are affected.

The product may be sold with or without a remote control. Products sold with a remote control are also being recalled and fall under the remit of ComReg.

There are approximately 53 affected products in the Republic of Ireland.

What to do:

Customers should stop using the product immediately.

For further information on how to claim a refund or replacement, please refer to the safety notice available on the Highlite International BV website [here](#).
