## Homeline recalls Homesafe Universal USB Travel Adaptor

 FEBRUARY 24, 2023

Homeline recalls Homesafe Universal USB Travel Adaptor.

The affected product was manufactured from 2021 to 2022.

The product presents a risk of electric shock. The socket shutters can be opened without a plug being inserted making live parts accessible.

The brand is Homesafe. The type/number of model is MMTA01/JL153. The batch number is BT1887. The barcode is 5391529360023.

There are approximately 6,040 affected products in the Republic of Ireland which have been purchased from various retailers.

### What to do:

Customers should stop using the product and return it to the place of purchase for a full refund.

For further information please contact Homeline on 01 4568221 or [PR@homeline.ie](mailto:PR@homeline.ie).
