Honda recalls certain motorcycles

 DECEMBER 6, 2021

Two Wheels Limited is carrying out a voluntary recall of certain Honda X-ADV750M, NSS750M, and NC750XDM motorcycles.

The affected products were produced between:

- X-ADV750M: 23 October 2020 to 6 September 2021
- NSS750M: 29 September 2020 to 14 September 2021
- NC750XDM: 23 December 2020 to 14 September 2021

A safety issue has been identified with the affected products where the engine speed may decrease momentarily when quickly opening the throttle from the fully closed position to a slightly opened position. In the worst case, the engine stalls at the time of starting and stopping.

There are approximately 28 affected motorcycles in the Republic of Ireland.

What to do:

Two Wheels Limited will directly contact all affected customers advising them to make an appointment with their local Authorised Repairer where any necessary repairs/replacements of parts will be carried out.

If you believe that your vehicle may be impacted by this recall, then you can contact Two Wheels Limited on (01) 438 1900 or email hello@hondaireland.com
