## Hyundai recalls certain 'i30 (FD)' passenger vehicles

 JANUARY 29, 2020

Hyundai Cars Ireland UC is carrying out a voluntary recall on certain Hyundai i30 (FD) passenger vehicles. The vehicles affected were produced from 3 May 2007 to 8 May 2012.

A safety issue has been identified whereby, the calibration setting of the ACU for airbag deployment was insufficient. In the event of an impact on the lower part of the vehicle body where the ACU is located, the airbag may be deployed in a situation other than the deployment condition.

2,777 vehicles in the Republic of Ireland are affected by this recall campaign.

### What to do

Hyundai Cars Ireland UC has commenced contacting affected vehicle owners by letter. Affected vehicle owners will be requested to bring their vehicles to an authorised repairer where necessary works will be carried out.

If you believe that your vehicle may be impacted by this recall, then you can contact your local Hyundai dealer or alternatively, Hyundai Cars Ireland UC's customer care can be contacted at telephone **01 460 9800**, or alternatively, by completing the following [web form](#).
