

PRODUCT RECALLS

Hyundai recalls Santa Fe

 AUGUST 3, 2017

Hyundai Ireland has issued a voluntary recall in respect of certain models of the Santa Fe. The production date range for the affected vehicles is between 01 July 2012 and 01 July 2016.

Hyundai have identified that the bonnet release catch many need to be replaced on some of the affected vehicles.

A total of 2,868 affected vehicles have been placed on the Irish market.

What to do

Hyundai Ireland will be contacting all affected customers by letter to arrange to have a refit carried out if necessary. If you have any questions in relation to this recall, please feel free to contact Hyundai Ireland (01) 460 9800.
