## I.M. Automotive Limited t/a Subaru Ireland recalls Forester vehicles

 AUGUST 24, 2020

I.M. Automotive Limited t/a Subaru Ireland is carrying out a voluntary recall of a number of Subaru **Forester** vehicles.

Affected vehicles were produced between 2015 and 2018.

There are 261 vehicles affected on the Irish market.

I.M. Automotive Limited t/a Subaru Ireland has established that an electrical connection that is part of the occupant detection system may become loose or unstable. If this happens, the system can't tell if the seat is occupied, and therefore may deactivate the airbag.

### What to do:

I.M. Automotive Limited t/a Subaru Ireland will be writing directly to all affected customers advising them to make an appointment with their local dealer/authorised repairer, where any necessary repairs/replacement of parts will be carried out.

If you believe that your vehicle may be impacted by this recall then you can contact Subaru Ireland directly on 018108800 , or alternatively by email on [info@subaru.ie](mailto:info@subaru.ie).
