IKEA Ireland recalls LATTJO drum sticks and LATTJO tongue drum

📅 JANUARY 14, 2016

IKEA Ireland is carrying out a voluntary recall of LATTJO drum sticks and LATTJO tongue drums.

This is due to 6 reports from IKEA store co-workers that the rubber ball of the drum sticks can detach or be unscrewed. The recommended age for these toys are 6+ yrs old, however a loose rubber ball can attract smaller children and in worst case lead to choking. No incidents have been reported.

What to do

Customers who wish to return either of these products are welcome to do so for a full refund at the Customer Returns Department in their nearest IKEA. Proof of purchase is not required for a full refund.
