## IKEA Patrull Nightlight Recall

📅 AUGUST 18, 2015

IKEA is voluntarily recalling their PATRULL nightlight. IKEA has received a report where a child playing with the PATRULL nightlight received a small electric shock when the lid was removed.

**Note: The examples show an EU plug but the construction and risk is the same regardless of PATRULL nightlight plug type.**

The PATRULL nightlight has been sold in Europe since 2013. Approximately 7,400 were sold in Ireland.

### **What to do:**

Customers who wish to return their PATRULL nightlight are welcome to do so for a full refund at the Customer Returns Department in their nearest IKEA. Proof of purchase is not required for a

full refund. Alternatively, the nightlight can be returned by contacting Customer Services on 01 541 3302.
