IKEA recalls RUND glasses

 JANUARY 21, 2011

IKEA is carrying out a voluntary recall of its RUND glass mug. Following reports of the product having broken, investigations by IKEA revealed variations in glass thickness which may lead to breakage during use.

Articles affected include:

30155137 RUND glass mug 4cl 2-pack

30149679 RUND glass mug 21cl 2-pack

50149678 RUND glass mug 40cl 2-pack

Ikea has sold 97 of these products in Ireland. There have been no reported incidents in Ireland.

What to do:

If you have any of these products please stop using them immediately and return to any IKEA store for a full refund.

For more information, please contact the exchange and returns department in your local Ikea store, visit www.IKEA.ie or call the company on 1890 987 938.
