IKEA Recalls ÅSKSTORM 40W USB charger

📅 JANUARY 17, 2024

IKEA is carrying out a recall on the ÅSKSTORM 40W USB charger.

The risks presented by this product are electric shock and thermal burns. There are reports that the cable can get damaged or break after being wrapped around the charger, or bent back and forth, after a long period of use. The damaged cable may result in thermal burns and electric shock.

The brand is ÅSKSTORM. The model number is ICPSW5-40-1. The article number is 60461197. All date stamps are affected.

There are approximately 1,063 affected products in the Republic of Ireland.

What to do:

Consumers are advised to stop using the product and to contact IKEA for a full refund.

Consumers can return their charger to any IKEA store for a full refund. Proof of purchase (receipt) is not required. Consumers can also contact IKEA on 01 541 3302 or visit www.ikea.com/ie for further information.
