Information notice relating to Baby Shark Soft Toy available on eBay

📅 MAY 14, 2020

It has been reported that there's a serious risk relating to Baby Shark Soft Toy, both chemical risk and choking risk.

The risk reported is that the soft toy's foam filling is easily accessible, while its battery box can be easily opened, generating small parts and leaving button batteries accessible. A small child may put in its mouth the small parts and choke on them, or the button batteries, which could cause damage to the child's gastrointestinal tract or choking.

The above product was sold online through eBay.

What to do:

If you believe that you may have purchased the affected product, **discontinue use immediately and keep it out of the reach of children.** You may wish to contact the online store from where you

purchased this product to see if there are any remedies available to you. This can be done via your user account on the eBay website.
