Information notice relating to Dinosaur Egg toy

 MAY 6, 2020

It has been reported that there is a risk that the head of this dinosaur toy can detach and pose a choking hazard. This toy also has the capability of expansion when exposed to liquid. This poses a further risk of choking if swallowed due to the toy expanding in excess of the maximum permitted dimensions.

The above product was sold online through Amazon.

What to do:

If you believe you have purchased any of the affected Dinosaur Egg toys, discontinue the use of the product immediately and dispose of the product appropriately.
