## Kia Ireland recalls Kia Rio

 APRIL 27, 2018

Kia Ireland is carrying out a voluntary recall of Kia Rio passenger car models which were manufactured in between April 2017 and June 2017

The recall is due to a potential risk where rear door can be opened while the child lock mechanism is applied.

There are 134 affected vehicles on the Irish market.

### **What to do:**

Kia Ireland will contact all affected consumers, advising them to bring the vehicle to any authorised Kia garage to have the vehicles checked and if necessary, rework to be carried out free of charge.

You can contact Kia Ireland on [\(01\) 4601288](tel:014601288).
