

PRODUCT RECALLS

Lezyne USA Inc. Recalls the Pressure Over Drive Floor Pump

📅 DECEMBER 17, 2025

Lezyne USA Inc. is carrying out a recall of the Pressure Over Drive Floor Pump.

PRESSURE OVER DRIVE

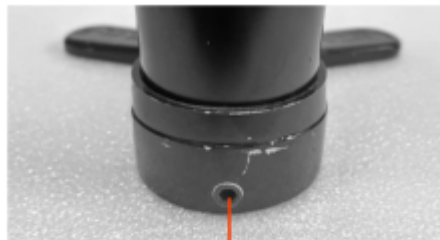

**DIGITAL
PRESSURE OVER DRIVE**

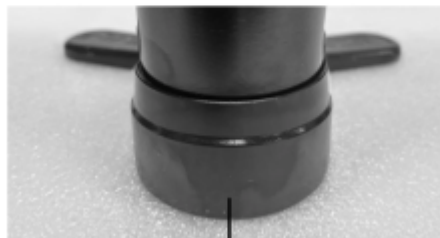

The product presents a risk of injury. The canister can forcefully eject from the base when pressurized, posing a risk of injury from impact to the user or bystander.

The brand is Lezyne. The barcodes are 4712805991532 and 4712805991549. The models are 1-FP-PRODR-V204 and 1-FP-DPRODR-V204.

The recalled Pressure Over Drive floor pumps can be identified by the presence of a bleed port on the front of the pump's base, as shown in the photos below.

BLEED PORT: RECALLED

SMOOTH: NOT RECALLED

There are approximately 3 affected products in the Republic of Ireland. The products were sold in The Big Little Bike Shop and The Edge Sports Ltd.

What to do:

Customers should stop using the product and complete the steps outlined in the [Lezyne Recall Notice](#) to receive a replacement.

If you are unable to complete the recall process online, please contact the Lezyne support team by emailing recall@lezyne.com.
