

# PRODUCT RECALLS

## Lidl is recalling LED spotlight with motion detector

📅 DECEMBER 22, 2015

Briloner Leuchten GmbH (Brilon) is recalling their LED Spot lamp (described below) as there is a risk of electric shock. The affected products were sold in Lidl in 2014 and 2015. The product can be returned to all Lidl stores for a full refund. The “Livarno Lux” LED spots in other colours are not affected by the recall.

**Product:** LED Spot with motion detector

**Variety:** Gloss Chrome (only)

**Brand:** Livarno Lux

**Article numbers:** 94507 and 107133 – see nameplate on the underside of the LED spotlights as shown in the photograph below.

You can call Brilon customer services number with any queries: 1800 347 447.
