## Lidl recalls 'Powerfix Quick Wiring Set'

📅 JULY 27, 2018

Lidl Ireland GmbH are carrying out a voluntary recall of their "Powerfix Quick Wiring Set" product which was on sale in stores from 2017 to 2018. The safety concern is that the product is not suitable for its intended use and in unfavourable circumstances, may pose a risk of fire and/or electric shock.

### What to do

Only Model Number '**HG02035A**' and '**Versions 01/2017 & 01/2018**' are affected by this recall campaign. This information can be found on the back of the product packaging. If you find that you have an effected set then you should stop using the product immediately. Consumers are advised to bring the product to any Lidl Ireland store where a full refund will be provided.

Lidl Ireland's customer service can be contacted on **Freephone 1800 20 10 80**.
