## Lidl recalls SilverCrest Handheld Vacuum Cleaner

📅 SEPTEMBER 29, 2020

Lidl Ireland GmbH is carrying out a voluntary recall on their SilverCrest Handheld Vacuum Cleaner products. The affected SilverCrest Handheld Vacuum Cleaner products were sold in Lidl Ireland stores from 21 September 2020.

A safety issue has been identified whereby it is possible that there is a risk of fire during charging or use of the product.

The full name of the affected product is SilverCrest Handheld vacuum cleaner SHAZ 22.2 D. The model number is 339791\_1910 and the serial number is 008602. The model and serial numbers can be identified from the product's marking plate label, as shown below.

The recall affects approximately 2,204 products in the Republic of Ireland.

## What to do:

Lidl Ireland GmbH will be displaying Point of Sale posters in their stores to inform consumers of this recall.

If you believe that you have purchased this product then you should stop using it immediately and return the product and the associated battery to a Lidl store where you will be offered a full refund. Should you require further information then you can contact Lidl's Customer Service number on **1800 20 10 80**.
