## Mazda recalls the Mazda 6

 JANUARY 15, 2018

Mazda Ireland is carrying out a voluntary recall of certain models of the Mazda 6. The affected vehicles concerned were produced between 31 July 2012 and 18 November 2014.

The risk identified is that water infiltration affects the functionality of the parking brake and may reduce its holding power. There are 1,359 of these vehicles on the Irish market.
