Nescafé white promotional mug recall

📅 JULY 26, 2012

Nestle UK Ltd is voluntarily recalling a white ceramic mug due to a possibility of it cracking when hot water is poured into it.

This mug was given away free with purchases of Nescafé Gold Blend 200g (Freeze Dried Coffee) after 11 July.

Approximately 15,000 mugs were given away in Ireland as part of this promotion

The mugs have Nescafé printed on the base. The batch codes of the promotional packs affected are:

All packs have a best before date of 05/2014. The coffee that is a part of this promotion is safe to drink.
