

PRODUCT RECALLS

Next recalls girls' Unicorn jackets

📅 MAY 11, 2018

There is a fabric fault on some of NEXT girls' Unicorn jackets (ITEM NUMBER 467-234).

On the faulty items, the plastic coating is peeling away from the fabric and if detached, could present a potential choking, or suffocation hazard to young children. 366 of these jackets have been sold in the Republic of Ireland.
